FOX TRAVEL & TOURS is proud to introduce a new destination to our clients: Bahamas, with its combination of rich history and culture paired with excellent opportunities for educational travel. We are ready to create a customized package, optimized for the individual need of the client.

Fox Travel & Tours is a travel consultant firm backed with 25 years of experience. Our growing and talented staff is designed to give you the best professional and personalized service. Whether you have a modest or luxurious budget, our staff is available to fulfill your corporate, domestic and international travel needs.

PHILOSOPHY

Our agency operates with great efficiency and creativity. We can accommodate the most hectic schedules with flexibility, accuracy and calmness. Itinerary changes are always guaranteed and up-to-the-minute.

Fox Travel's state of the art, electronic Sabre system is our choice of electronic business transactions and communication. Sabre directly connects us to the inventory of all domestic and international airlines, Amtrak, major hotel chains, and car rental companies.

BAHAMAS FOR EDUCATION

Fox Travel & Tours offer excellent Bahamas solutions for educational institutions. Our hotels provide high quality accommodation paired with an attractive price level; thus guaranteeing a great value and a high level of convenience. Their meeting facilities offer great opportunities to combine productivity with relaxation such as lectures which can be combined with included meals at the hotel or restaurants. The city of Nassau itself provides many great opportunities for educational

travel, which can be enhanced further through the vibrant night life.

A visit to the old town could be the perfect complement to a lecturing and learning day and Nassau has everything covered. The same goes for business transportation and everything that can be needed or imagined.

The city offer excellent opportunities for productive teaching and a lot of different events is going on all the time and Fox Travel & Tours look forward to creating the best program for every specific educational need.

The Island of Bahamas can provide eco tours, which can be a great option for faculties and different activities such a culinary lectures held by the Graycliff Culinary Academy.

Art faculties is covered by numerous art galleries such as the National Art Gallery of the Bahamas, the Antonius Roberts Studio and Gallery at the Hillside House and the D'Aquilar Art Foundation.

The Pirate Museum is another interesting glimpse into the history of the island and is well worth a visit; it offers real artifacts paired with a recreation of a pirate town complete with the ship as well.
