FOX TRAVEL & TOURS is proud to introduce a new destination to our clients: Prague, with its combination of rich history and culture paired with excellent opportunities for business travel. We are ready to create a customized package, optimized for the individual need of the client. Our newly created Prague Guide offer an insight in what the city can offer you and is accessible at <http://foxtravelandtours.com/pragueguide.html>.

Fox Travel & Tours is a travel consultant firm backed with 25 years of experience. Our growing and talented staff is designed to give you the best professional and personalized service. Whether you have a modest or luxurious budget, our staff is available to fulfill your corporate, domestic and international travel needs.

PHILOSOPHY

Our agency operates with great efficiency and creativity. We can accommodate the most hectic schedules with flexibility, accuracy and calmness. Itinerary changes are always guaranteed and up-to-the-minute.

Fox Travel's state of the art, electronic Sabre system is our choice of electronic business transactions and communication. Sabre directly connects us to the inventory of all domestic and international airlines, Amtrak, major hotel chains, and car rental companies.

PRAGUE FOR BUSINESS

Fox Travel & Tours offer excellent Prague solutions for corporations. Our hotels provide high quality accommodation paired with an attractive price level and a large breakfast buffet is always included; thus guaranteeing a great value and a high level of convenience. Their meeting facilities offer great

opportunities to combine productivity with relaxation such as conferences which can be combined with included meals at the hotel or restaurants. The city itself provides many great opportunities for business travel, which can be enhanced further through the rich cultural life.

A visit to the opera or theater could be the perfect complement to a conferencing day and Prague has everything covered. The same goes for business transportation and everything that can be needed or imagined.

The city offer excellent opportunities for trade shows and a lot of different events is going on all the time and Fox Travel & Tours look forward to creating the best program for every specific business need.

MEETING AND CONFERENCE

Our Group Travel representatives will meet with you and make sure all the details are covered. This includes creative advance planning, site selection, guest speakers, promotional materials, on-site coordination and fully computerized reservations. We'll even inspect the

facilities for you personally. Individual documents will be forwarded to each traveler prior to departure. These will contain tickets, itineraries and meeting site information.

EXTENDED OFFICE HOURS

Provides our 'on the road' travelers with a toll free number: 1-800-570-TRAV. Clients can call our experienced reservationists rather than deal directly with airline personnel while traveling.

TRAVEL PROTECTION
